

System Usability Scale (SUS)

Strongly Disagree

Strongly Agree

I think that I would like to use QR-code Method frequently.

1	2	3	4	5

I found QR-code Method unnecessarily complex.

1	2	3	4	5

I thought QR-code Method was easy to use.

1	2	3	4	5

I think that I would need the support of a technical person to be able to use QR-code Method.

1	2	3	4	5

I found the various functions in QR-code Method were well integrated.

1	2	3	4	5

I thought there was too much inconsistency in QR-code Method.

1	2	3	4	5

I would imagine that most people would learn to use QR-code Method very quickly.

1	2	3	4	5

I found QR-code Method very awkward to use.

1	2	3	4	5

I felt very confident using QR-code Method.

1	2	3	4	5

I needed to learn a lot of things before I could get going with QR-code Method.
