

System Usability Scale (SUS)

Strongly Disagree

Strongly Agree

I think that I would like to use Biometrics Method frequently.

1	2	3	4	5

I found Biometrics Method unnecessarily complex.

1	2	3	4	5

I thought Biometrics Method was easy to use.

1	2	3	4	5

I think that I would need the support of a technical person to be able to use Biometrics Method.

1	2	3	4	5

I found the various functions in Biometrics Method were well integrated.

1	2	3	4	5

I thought there was too much inconsistency in Biometrics Method.

1	2	3	4	5

I would imagine that most people would learn to use Biometrics Method very quickly.

1	2	3	4	5

I found Biometrics Method very awkward to use.

1	2	3	4	5

I felt very confident using Biometrics Method.

1	2	3	4	5

I needed to learn a lot of things before I could get going with Biometrics Method.
